Presentation Guidelines

1. All presenters of oral presentations must report to the conference manager in advance of each session.

2. Presenters can either use the laptop provided or connect their own laptop to the projector however if you use your own Mac please ensure you have the requisite connector.

3. **You have to send your presentation by email on or before 16.12.2016 to icmrp2016@rsisinternational.org**. In the subject you should indicate your name and Unique manuscript ID (UMI). The file name must indicate Unique manuscript ID (UMI). We will send you a confirmation email once we have the presentation in the system. If you have a video or audio file embedded in the presentation we recommend using a standard video and audio codec compatible with Microsoft PowerPoint.

4. Presentation time is critical; each paper is allocated 07 minutes for lecture sessions. This time includes setup and questions from the audience. We recommend that presentation of your slides should take about 07 minutes.

5. Slides attract and hold attention, and reinforce what you say – provided you keep them simple and easy to read. Plan on covering at most 6 points per slide, covered by 6 to 12 spoken sentences.

6. Make sure each of your key points is easy to explain with aid of the material on your slides. Do not read directly from the slide during your presentation. You shouldn't need to prepare a written speech, although it is often a good idea to prepare the opening and closing sentences in advance. It is very important that you rehearse your presentation in front of an audience before you give your presentation.

Photo/Video/Audio Recording Consent

Photo/Video/Audio Recording Consent Photography and Filming will be taking place at this event. By entering this event you consent to being filmed/photographed for the promotional purposes of RSIS Conference.

Attractions

- ✓ **Sabarmati Ashram:** Sabarmati Ashram is located at banks of the Sabarmati River, was found in 1915. This ashram was the residence of Mohandas Karamchand Gandhi till 1930. During the time of independence movement, the ashram was referred to as the Satyagrah Ashram. This ashram was the inception point for famous Dandi March in 1930, due to which it has been declared as the national monument.

- ✓ **Kankaria Lake:** Kankaria Lake was earlier known as Hauj-E-Kutub, is the biggest lake in Ahmedabad. During the time of kings, this lake served as the bathing place for all the badshahs. Built by Sultan Kutubuddin in 15th century, this lake consisted of a water purification system. The lake is circular, however, at one point it opens into a walkway, which leads to garden called Nagina Wadi. Near the lake, there is a gym called Ambubhai Purani Vyayamshala. Today, the lake is a popular picnic spot with lighted walkways and food corners. This lake is located in the southern part of the city in Maninagar area.

- ✓ **Akshardham Temple:** Akshardham Temple is located 28 km away from Ahmedabad in Gandhi Nagar. Foundation of this temple at Gandhinagar was laid by Bochasanwasi Akshar-Purushottam Swaminarayan Sanstha (BAPS). Visited by around 2 million of devotees every year, this temple is one of the most popular attractions of the city. The temple dedicated to Lord Swaminarayan, reflects the wealth of Gujarati architecture.

- ✓ **Sabarmati Riverfront:** Sabarmati Riverfront is developed on one of the biggest river Sabarmati, in of Gujarat. It is an innovative project undertaken by the Ahmedabad Municipal Corporation. This is an ideal destination to enjoy picnic with family. It consists of a magnificent walkway over the river Sabarmati. Gardens, esplanades, amusement parks, golf courses, water Sports Park and slum rehabilitation are part of this project. The entire riverfront offers a panoramic view of the city's landscape.

    Many people come here for their morning or evening walks. A leisurely stroll on the walkway, especially at night when the whole area is lit up with lights is quite refreshing. Speed boat and motor boat rides are the popular water sports available here. Kite flying is another activity that can be undertaken here.

- ✓ **Science City:** Science City is an educational centre, which is focused on science and technology. This science city was set up in 1960, with a motive to spread awareness about the progression of science and its application in human life. Ventured by state government of Gujarat, this science city is a blend of education and entertainment.

- ✓ **Sunset Drive-in:** Sunset Drive-in, an open Air Cinema with the largest screen in Asia, is located at Ahmedabad. It is first of it's kind which can room about 665 cars at a time. More than 6000 people can enjoy watching movie at a time.
